MAY RECAP

In May, I played more shows than any other month, with 12 shows total: 11 solo and 1 with the band!

Highlights of the month included: performing at the Spring at the Round Barn Market, finally playing outside at restaurants like Horvath's, Vinberige, Papa Boo's, and Brewery 33, playing at 3 awesome grad parties, getting joined on stage at Papa Boo's, and selling 70 CDs in the first month and a half of the album's release. It's been such a pleasure sharing my music with friends and fans of what I'm doing and I hope you all are enjoying it. Make sure to get to a show soon so you can get your own copy before they're gone!

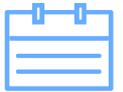

June is shaping up to be a great one, too! I have 9 shows scheduled: 5 solo (1 Private) and 4 with the band (2 Private) down in the tristate area. I'll be playing my first wedding gig this month and at 4 restaurants. The band and I will be playing on 3 big central stages for 4 shows in the area in almost a week's span: Newport on the Levee in KY, Burlington Commons in KY, and Downtown Lawrenceburg, IN. The Newport and Lawrenceburg shows are both community concerts and we are expecting big turnouts. If you live in the area and want to check out a good show, we'd love to have you.

Check out and bookmark my events tab on my website, and follow me on Facebook for the most updated current schedule in case new gigs get added!
