

JANUARY 2021

JARED FOSTER MUSIC

The best way to get updates on Jared's latest music, live shows, and videos.

ABOUT JARED

Jared Foster is a singer, songwriter and performer from Lancaster, Ohio. Currently in his 3rd year at the University of Cincinnati's College Conservatory of Music, Jared is working towards his degree in Commercial Music Production and a Minor in Business. As a solo artist and with his current trio, Rosewood Revival, Jared has performed in cities all over Ohio, including gigs in Kentucky and Indiana. While performing, Jared plays all genres of music, but prefers easy listening music.

When it comes to musical instruments, Jared is a true renaissance man. He mainly plays acoustic and electric guitar, but also dabbles in bass guitar, drums, piano, mandolin, and the occasional ukulele. When Jared isn't writing music or performing, he can be found enjoying a delicious grilled steak, following the Ohio State Buckeyes, or enjoying the great outdoors.

2021 Goals - 4

DECEMBER RECAP

December was a good one for sure. I had five shows planned, but three got cancelled. I played on December 6th for the Buxton and the Granville Investment groups' Christmas event. It was extremely cold, and even though my fingers have still not thawed all the way, I loved spreading the Christmas cheer. On the 18th, I played with my band at the Bridgeview Box Park at Newport on the Levee in Newport, KY. I played in a heated outdoor tent with converted train cars as restaurants and a lot of seating. We played both Christmas and non-Christmas songs, switching between Christmas hats and no Christmas hats throughout the set. We had great feedback and expect to be back soon!

This winter season, I made a plan to give myself some time to be able to record some new music and work on a few different projects and ideas. I don't want to give anything away, but there is a lot of cool stuff in the works!

Thank you so much for all the support during this last year! It means so much to me that with all your help, I've been able to grow my social media, my fan base, and my portfolio. Even in such a difficult year for many, I loved being able to spread the joy of music, while also doing university work at the same time.

I have plenty of goals for the next year and am excited for where it takes us. I want to make this music thing a career and I'm gonna work as hard as I can to make it happen!

- Jared

December 18 - Concert with RR at Newport on the Levee - Newport, KY

2021 GOALS AND WAYS TO SUPPORT

Fill up free dates with live shows - If there is any place that does live music that you think would be a good fit for me, shoot me an email or message me on social media. I am constantly in contact with many different businesses and I would love to add some into the mix. (jaredfostermusiccontact@gmail.com)

Get 1000 followers on Instagram and Facebook/Keep Building a fan base - I will be working very hard this year to get my name out as much as possible through releasing content, and all you have to do is like, comment and share. As easy as it is, it really goes a long way with building a fan base. Every tip I get really helps me out, but getting fans is the most valuable thing. If you like what I'm doing, please consider spreading the word or bringing friends to a show. It's another easy thing that really goes a long way.

Release New Music - I am currently working on **many** different projects that will be released in the near future.

Represent With Merchandise - If you like my merch designs, please consider purchasing it! Proceeds from merch sales help me with equipment maintenance, travel to shows, and other expenses. If you wear my merchandise to a concert, it shows the businesses that have hired me that you are coming as a fan. That helps me get invited back because they see that I am bringing people to their establishment To purchase merch, visit my website!

Here is the video of "Frosty the Snowman" from my band's concert at Newport on the Levee on December 18th.

Hope you enjoy! - Jared
